

Q Club, Seasonz Travel Offer the Best of New Zealand

Its absolutely stunning views are reason enough to visit New Zealand. The amazing landscape, writes Andrew Harper, "punctuated by glaciers, fjords, lofty mountains, pristine lakes, deserted beaches and undulating fields" makes this gem a perennial favorite of savvy travelers.

Now there's extra incentive to enjoy Kiwi country's charms with an itinerary created by Q Club travel specialists and Q Club Travel Partner Seasonz Travel. If your arrangements (including accommodations, transfers and sight-seeing) are for 10 days or more, you'll receive one of these special values:

- An excursion into the heart of the Central Otago wine region on South Island for a memorable half day touring some of New Zealand's top vineyards, accompanied by a noted wine expert. Sample some of the country's best bottles.

- A helicopter flight to a gourmet picnic lunch atop Ben Lomond Saddle, high over Queenstown, shown above. After lunch, enjoy the panoramic views of the Wakatipu Basin and the Remarkables mountain range as you hike back down the trail, accompanied by an experienced guide.

- A half-day helicopter excursion of Rotorua with its backdrop of geothermal steam, volcanic mountains and spectacular crater lakes. Make an exclusive landing on Mokoia Island and stroll among some of New Zealand's rarest native birdlife.

Q Club members who book a full New Zealand itinerary (including accommodations, transfers and sight-seeing) also enjoy complimentary use of a cell phone while in New Zealand. Throughout your visit, you can stay in touch with Seasonz Travel, as well as your guide and hotels.

This offer is valid when you book and deposit by Oct. 1 for travel by June 1, 2006. Call (800) 375-4685 and let a Q Club travel specialist tailor a New Zealand itinerary to fit you.
