THE TIGER TOUR BY PRIVATE AIR

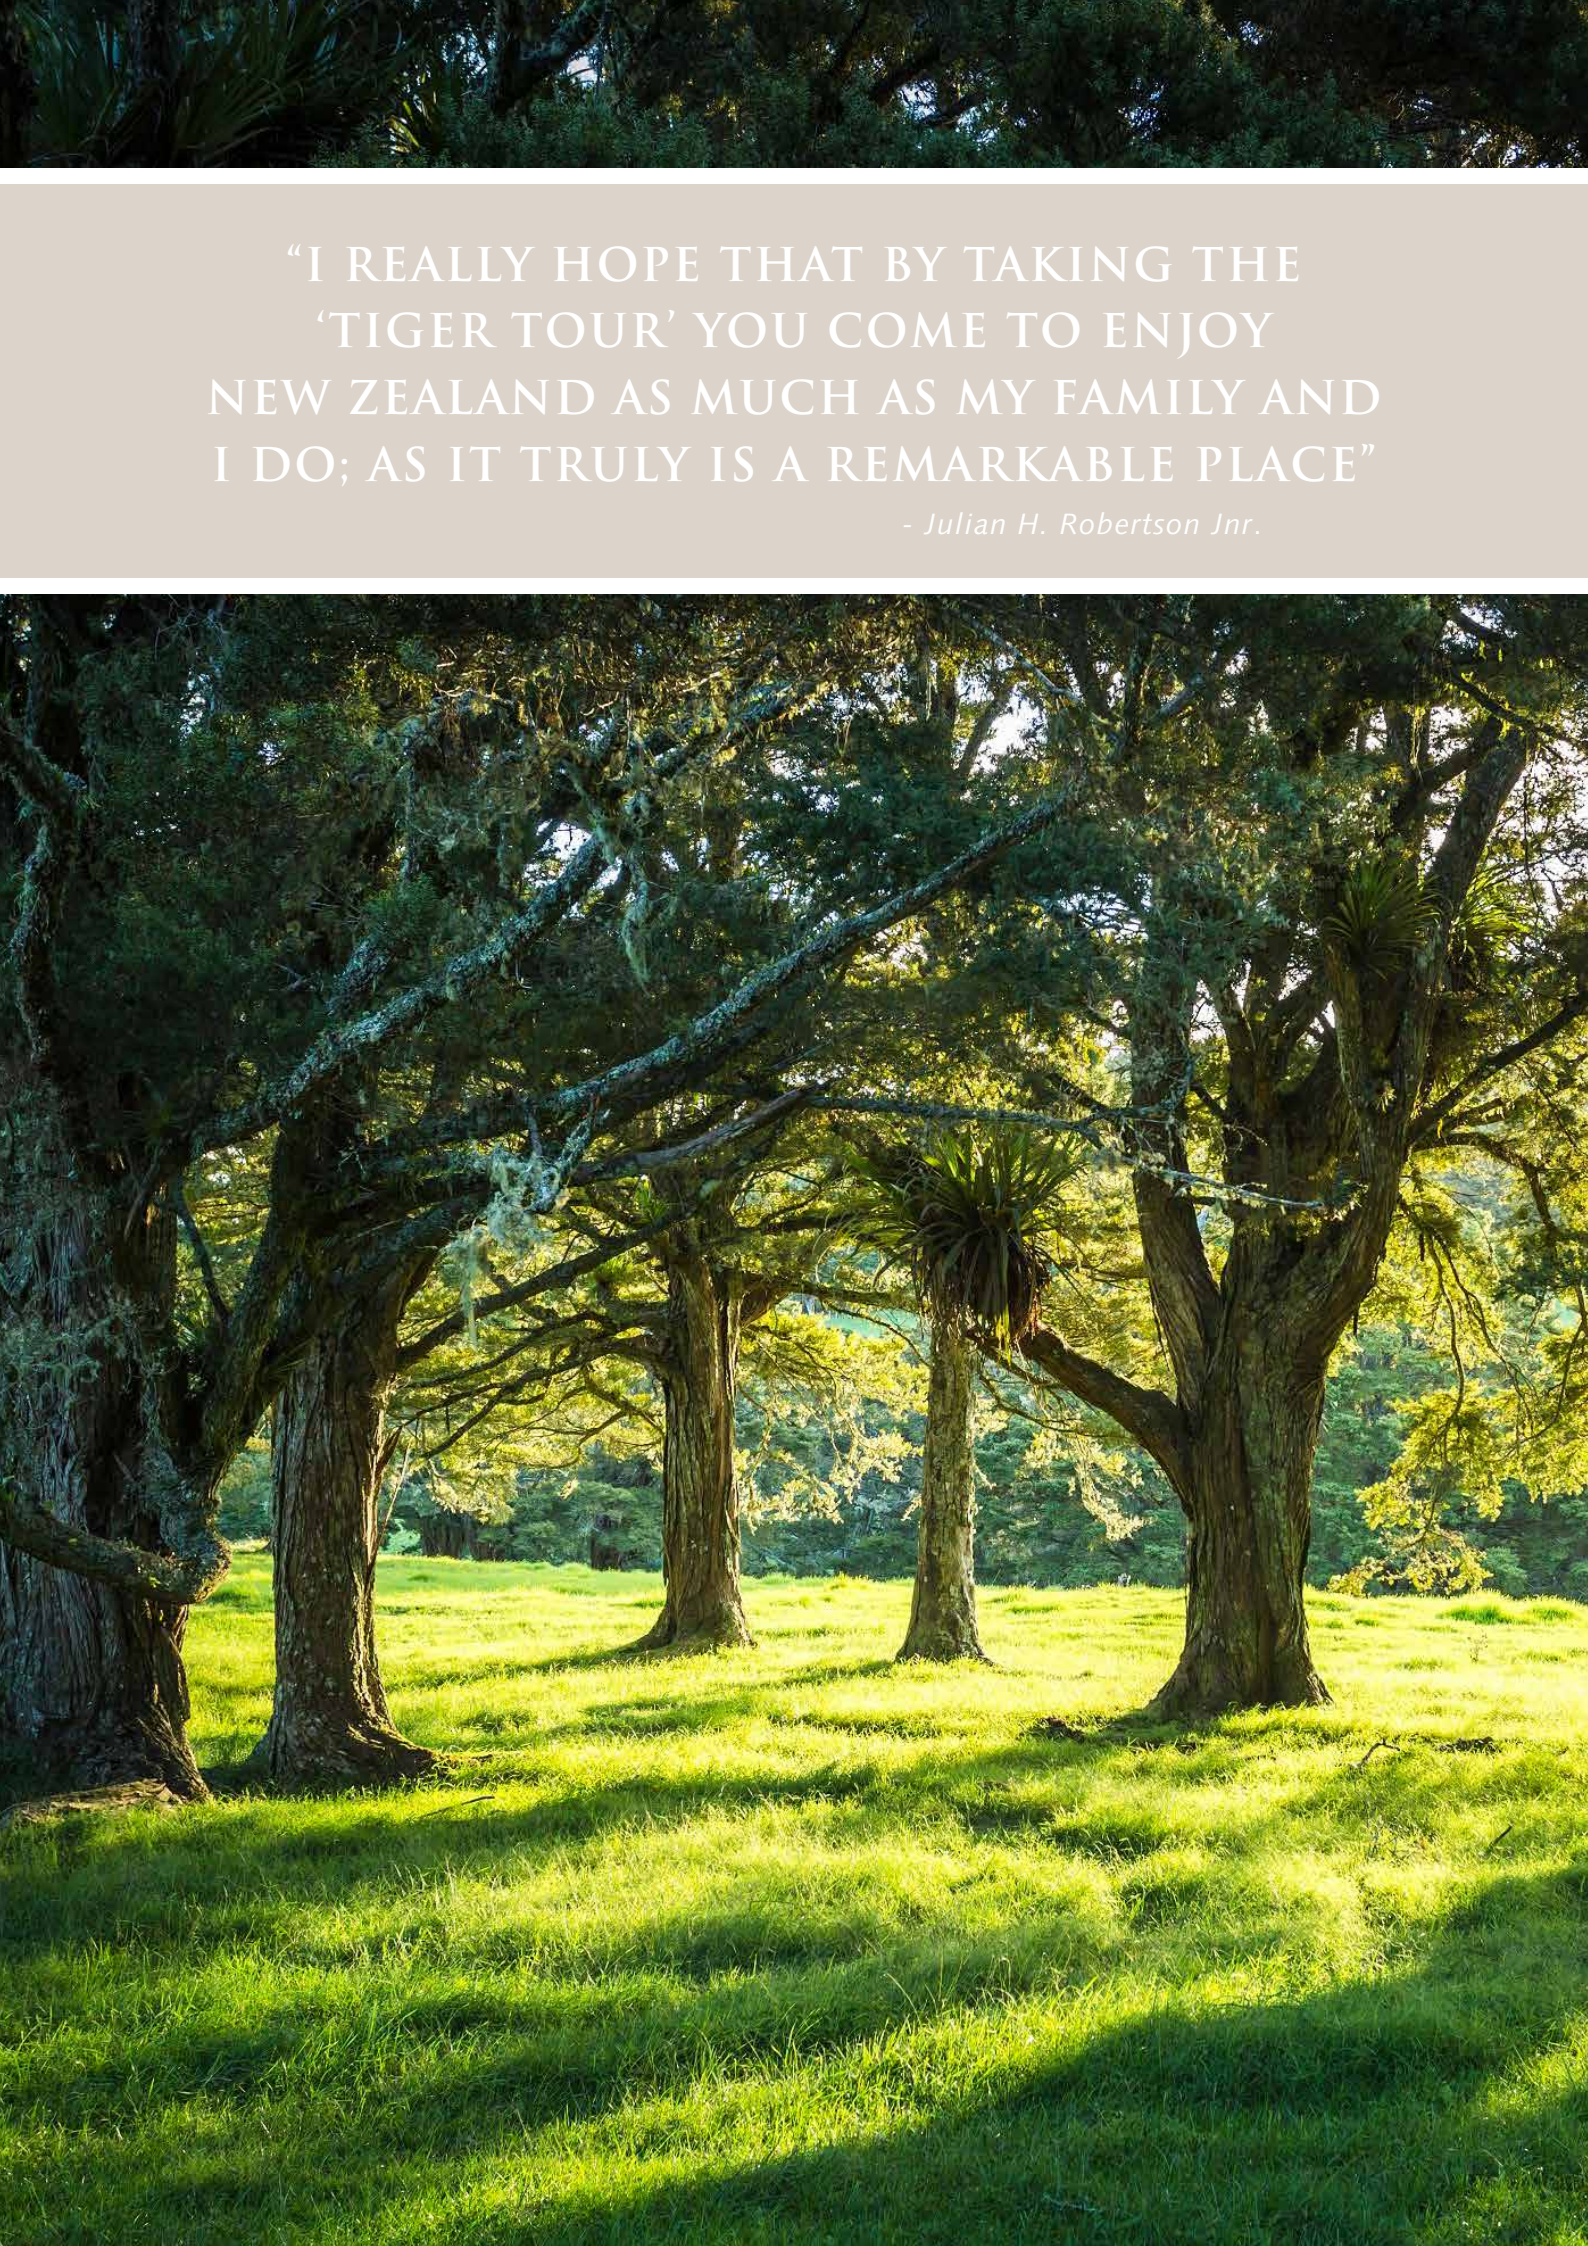

AN ULTIMATE NEW ZEALAND GOLFING EXPERIENCE

Cape Kidnappers, Hawke's Bay

Jack's Point, Queenstown

“I REALLY HOPE THAT BY TAKING THE
‘TIGER TOUR’ YOU COME TO ENJOY
NEW ZEALAND AS MUCH AS MY FAMILY AND
I DO; AS IT TRULY IS A REMARKABLE PLACE”
- Julian H. Robertson Jr.

Julian H. Robertson, legendary hedge fund manager and philanthropist, has invested heavily in his 40-year love affair with New Zealand. Together with his late wife, Josie, and their family, Julian has created three of Asia-Pacific’s most feted luxury lodges and two of the very best golf courses in the world.

The Tiger Tour is Julian’s personal vision of how discerning travelers can best experience his favourite destination and meet the people who make New Zealand so special.

He invites you to see and experience this country as he sees it, and discover the immense charm of New Zealand’s diverse, beguiling landscape. This boutique, luxury tour provides an opportunity to make memories that are not possible within any single country anywhere else in the world. Starting in the sub-tropical far north, travelling through the wine region Hawke’s Bay, and concluding at the alpine lake village of Queenstown, the Tiger Tour connects guests (via private air and EC-130 B4 helicopter) with some of the most unique, contrasting, untouched scenery on Earth, from private pink-sand beaches and spectacular volcanoes, to lakes, mountains and monolithic glaciers.

To all of this, The Tiger Tour adds an extra-special component: the unique, disarming charm of your Kiwi hosts.

THE TIGER TOUR

Incorporating the best of New Zealand’s North and South Islands, the Tiger Tour features nine nights, three award-winning lodges and dozens of out-of-this-world destination options. The Tour is inclusive of acclaimed cuisine, green fees at stunning golf courses, quintessentially Kiwi experiences and the opportunity to mingle with distinctive New Zealanders, human and otherwise.

Your first destination is The Lodge at Kauri Cliffs, with the Cavalli Islands and Cape Brett providing the backdrop to a world-renowned golf course, designed by David Harman. Fifteen holes boast long, splendid views of the South Pacific, while six play directly alongside cliffs that plunge down to the sea. The course is also ranked among the Top 100 in the world and the surrounding area is known across the Southern Hemisphere for its beautiful beaches, spectacular sailing and world-class deep-sea fishing.

The next stop is The Farm at Cape Kidnappers, located in the heart of Hawke’s Bay Wine Country. The property also features a world-renowned golf course, this one designed by architect Tom Doak. Perched high above the Pacific, atop dramatic white cliffs, this layout has been hailed as one of golf’s modern marvels by the world golfing press, including a ranking among the top 20 courses on Earth by Golf Digest. Aside from its celebrated wines, the area’s exquisitely rugged landscape represents a singular opportunity to explore the beauty of this island nation’s rare and idiosyncratic wildlife.

The Tiger Tour concludes at Matakauri Lodge. Magnificently situated on the shores of Lake Wakatipu, Matakauri provides an intimate, luxuriously chic base camp for some of the most exciting aspects of this itinerary. Queenstown complements its well-earned reputation as “Adventure Capital of the World” with sumptuous wine, cuisine and shopping. This small city is also gateway to the mind-blowing glaciers and fjords of Milford Sound.

Put simply, with each passing day this tour sets the extraordinary side by side with the intimate, and bathes it all in world-class luxury.

SET DEPARTURES

The property is designed to champion the magnificent ocean panorama and award-winning 18-hole, David Harman-designed golf course, and it does so spectacularly. Fifteen of the holes boast stunning views of the Pacific Ocean, while six play alongside cliffs that plunge down to the sea. The beautiful inland holes wind through marsh, forest and farmland. Ranked #49 among the Top 100 Golf Courses in the World by Golf Digest, the course stretches 7,151 yards (6,539 metres) and provides five sets of tees to allow enjoyment for every skill level.

DAY ONE:

Upon arrival at Kauri Cliffs, guests are invited to enjoy an afternoon at their leisure.

This first day in our care concludes with evening cocktails and canapés, followed by a welcome dinner joining fellow Tiger Tourists in the lodge.

Your first full day at Kauri will feature 18 holes of golf playing this jaw-dropping champion course (carts and green fees are included).

Lunch will be a BBQ at our private Pink Beach, which combines one of the most beautiful beaches in the world with fresh grilled seafood or lamb, and local produce partnered with fine New Zealand wine and cheese.

Following lunch, enjoy the afternoon at your leisure.

You may like to enjoy a heritage tour by 4WD, reserve a Quad Biking adventure visiting parts of the property that are otherwise inaccessible by any other transport means or retreat to the spa, set deep in the forest and a great way to reward yourself.

Further afield Kauri Cliffs can arrange a half day sightseeing tours of the Bay of Islands or a sunset boat cruise including dinner on board.

Pre-dinner cocktails and dinner are included, and can be taken at a time convenient to individual guests in the lodge dining room or at one of the romantic private dining spaces.

DAY THREE:

One final day of spectacular Tiger Tour experiences at Kauri Cliffs.

This morning you will travel by helicopter to the rugged western coastline, landing at the historic settlement of Omapere near the entrance to the Hokianga Harbour, where guests will be met by a cultural guide for a tour to Tane Mahuta ("Lord of the Forest"). The Maori mythology surrounding this majestic tree and the Waipoua forest will leave you spellbound. Afterward, lift off from Omapere for the quick flight back to the East Coast and over the scenic Bay of Islands before landing at The Lodge at Kauri Cliffs.

Lunch is at your own leisure and available to be taken at the lodge, from the Pro Shop 19th Tee or packed as a picnic.

For those interested in a second chance to tame our championship golf course, golf may be played at your leisure. Carts and green fees are included.

Pre-dinner cocktails and dinner at the lodge will conclude the day's adventure.

DAY FOUR:

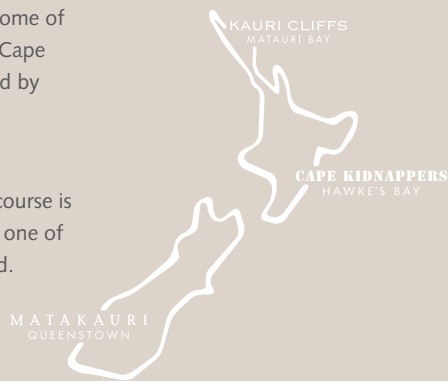

Following breakfast it is time to depart by helicopter, taking off directly from Kauri Cliffs heli pad and flying delightfully indirect to Auckland. Your flight path will follow the stunning eastern coastline, offering possible marine sightings along the way before landing at Auckland Airport where you will board your private aircraft for the flight to Napier.

Far out to the east of Hawke's Bay wine country, The Farm at Cape Kidnappers sits atop rolling hills and rugged cliffs that give way to vast sea views and an ever-present horizon. Not only is this unique property is home to a magnificent luxury lodge, it also boasts one of the world's top golf courses, a sanctuary for some of New Zealand's most precious flora and fauna, and a working commercial farm. Warm and enveloping, Cape Kidnappers is ranked as one of the top two hotels in the South Pacific and the top 20 hotels in the world by Conde Nast Traveller 2017, and it's not hard to see why.

Cape Kidnappers features 18 holes of golf designed by world-renowned golf architect Tom Doak. The course is built on a ridge-and-valley landscape, high above the ocean atop dramatic cliffs and has been hailed as one of the great modern marvels in golf. It is consistently named as one of the Top 20 golf courses in the world.

DAY FOUR:

Upon arrival at Cape Kidnappers, you will be met by a private guide and taken to Craggy Range Winery for lunch at Terroir Restaurant overlooking Te Mata Peak, the lake and vineyards.

After lunch, you will meet the wine maker in the Sophia Room to discover the intricacies of wine making, and the advantages and challenges facing wine makers in the Hawke's Bay region. The wine maker will join you in preparing a special Tiger Tour blend that will be bottled to take home.

This evening experience a special guided dinner in the Wine Cellar, showcasing the best of Hawke's Bay wine and food

DAY FIVE:

You'll start your day with the challenge of our dramatic 18-hole golf course, designed by architect Tom Doak. Carts and green fees are included. After the round, share stories of magnificent shots and beautiful scenery over lunch in our golf clubhouse, in the lodge dining room or packed as a picnic to be enjoyed elsewhere on the property.

In the afternoon experience a very special Sanctuary Discovery Walk.

This is an incredible opportunity to interact with the kiwi bird – best recognized as the national symbol of New Zealand — and an opportunity that can only be experienced as a guest at Cape Kidnappers.

Sanctuary manager Beau and his team will lead you on an adventure across the property in search of the New Zealand Brown Kiwi. Using radio tracking and monitoring devices, you will take turns searching for this elusive, flightless creature. Once found, guests will have a chance to get up close and personal with one of New Zealand's most endangered and rare birds.

Beau will then introduce you to one of the few very special Tuatara who have been released and are now thriving at the property. The Tuatara, a species only found in New Zealand, is the last surviving member of the dinosaur family with a lineage dating back more than 200 million years.

You'll end this remarkable day with pre-dinner drinks at Black Reef, followed by a gourmet BBQ dinner at the clubhouse

DAY SIX:

Your final, full day in Hawke's Bay offers another chance to play 18 holes on Cape Kidnappers course.

Lunch will be served at your leisure in the lodge dining room, golf clubhouse or packed as a picnic to be enjoyed on the property.

The afternoon is at your leisure. You might like to reserve an adventure tour of the property by Can Am, Clay Target shooting, a regional tour of Hawke's Bay or perhaps indulge in treatments at the Spa.

Pre-dinner drinks and dinner are at your leisure this evening, to be enjoyed at a time that suits you in the lodge dining room or one of the private dining spaces available.
