The Brando

With its white sand beaches, swaying coconut palms, colorful birds, and sparkling lagoon, Tetiaroa is a dream paradise. Beyond its breathtaking beauty, Tetiaroa is a place of rare biodiversity and a natural sanctuary for birds and marine life. Preserving and protecting this rare habitat and its plant and animal life is critical to the property. Several programs have been applied for both the preservation and restoration of this sanctuary in aid for it to flourish. Tetiaroa has a special place in Polynesian history and culture. It was the exclusive and favored retreat of Tahitian royalty for centuries. Ancient marae (temples) built on the atoll by early Polynesians can still be found there today. With its rich history and ethereal beauty it will always have a special place in the heart of Polynesians.
